

# Strawberry Tree

## County Administration Center

Strawberry Tree is a wonderful plant for discriminating gardener. It reaches a height of 15 to 30 ft with similar spread as you can see in CAC Garden.. It is a small shrub in Southeast United States but in Europe it is a large shrub or round headed small tree. The leaves are evergreen and 2 to 4 inches long. The flowers and fruit add to the attractiveness of this plant.

CAC Plant of the Month
